Choose an in-network dentist

Your plan gives you access to the Delta Dental PPO network. However, benefits go farthest when you visit a Delta Dental PO dentist. Visit DeltaDentalWA.com to find a dentist in your network (learn how on the next page).

Your plan also comes with access to the Delta Dental Premier® network, which helps you find a PPO dentist outside of your area if needed. This means you can avoid higher out-of-network costs (see chart below).

More dental work is covered

Class I costs do not count toward your Annual Maximum, which means more of your Class II and III expenses are covered by insurance.

Visit your dentist regularly.

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

Get out-of-pocket cost estimates.

Knowing your cost helps you and your dentist plan treatments to maximize your benefits.

MySmile Cost GenieSM gives you instant, cost estimates. It's great for basic treatments like fillings. Simply sign in to your MySmile account to get your personalized estimate.

When you need extensive treatment, like a crown, ask your dentist for a “Predetermination.” You will get a **Confirmation of Treatment and Cost** from your dentist. It details your treatment plan, what your benefits cover and how much you may owe your dentist for the treatment.
